

Statement of Intent

High School Mission Trip 2012

By signing this statement I _____ am declaring my intention to attend and participate in the Fairmont Park High School Mission trip to St. Lucia July 5 through July 14th, 2012. I agree to raise \$1700.00 to pay the cost required for me to go. I understand that once I sign this statement I am responsible for at least \$200 of the total cost whether I can go or not. If I am unable to go, for any reason, I will inform Fairmont Park and Steven Smith in writing before March 1, 2012. I understand March First 2012 is the last day I can cancel, after which, I will be responsible for the full amount of \$1700, except for reasons covered by trip insurance.

I am also agreeing to make all needed arrangements to obtain a valid US passport. And do everything I can to participate in the upcoming "We Care" program in April, as well as W.E.S.T. Texas Work Camp in June. I realize this Mission Trip is not a vacation, and that I will be expected to serve wholeheartedly and to the best of my ability.
